Glasses in the Office

Are you looking for a missing pair of glasses? We have four pair of glasses turned into the office. If your child is missing their glasses please stop in the office to claim their glasses.

Chaperones for Field Trips

As stated in our handbook, and for the safety of our students, only **parents** and **legal guardians** are permitted to chaperone field trips. We also ask that any/all **younger siblings** refrain from **participating** in school-sanctioned field trips. If you sign up to chaperone a trip, you are assigned responsibilities. Having an additional child with you may hinder you from appropriately caring for the students in your group. Lastly, all chaperones are required to **check-in with Tiffany Glenn** in the Administrative Office to receive a sticker prior to the field trip. You can do this the day before, or the morning of the field trip to expedite the process. Thank you for helping to protect our students!

Late Delivery to Classroom

We have been tracking the items brought in late to the admin office. The good news is that 68% of our students have come prepared and ready for their school day, the sad news is 32% have not (many of these are repeat offenders). Please make every effort to see that all items are with your child as you drop them off in the morning.

Upward Basketball

We want to make you aware of the Upward Basketball league that many of our Southfield Christian families participate in during the winter. Upward is a faith-based league that provides a first-class sports experience emphasizing healthy competition, sportsmanship, skills building and fun versus the “win-at-all-costs” mentality found in many children sports leagues. There is no “trying out”; all children who register are placed on a team. Every child plays an equal amount of time during the season. Games take place on Saturdays, and there is only one practice each week to accommodate busy family schedules.

The league is for grades K-6. Early registration cost per child for basketball is \$65, after November 9th the cost is \$75. To obtain flyers for this program please check in the elementary office.
